

October 2021

Dear Parent/Carer,

I am writing to remind you that Flixton Girls has invested in GCSEPod, the award winning digital content and revision provider!

This is such an important year for your child and it is vital they prepare themselves as early as possible for their GCSE's.

GCSEPod provides over 6,500 3-5 minute bursts of visual learning 'Pods'. The way in which GCSEPod maps content can help revision be much more manageable as your child can see their revision displayed in a logical way. Each Pod is exam board specific, so you too can be reassured your child is only learning what they need to learn.

We are running a number of competitions in school, including Podder of the Form, Best Form of the Year Group and Queen Podder. All of these come with rewards or vouchers, so please encourage your child to participate.

Revision on the Go!

One of the remarkable things about GCSEPod is the ability to download the content to your child's mobile device so it's like they are carrying text books in their pockets without the need for internet! Ensure to download the GCSEPod app from the App Store (Apple and Android are supported) and download the content straight to your child's device. GCSEPod is the perfect resource to ensure your child isn't missing out on their key revision time.

If your child can't remember their username and password, please ask them to contact a member of staff.

For more ways you can help support your child using GCSEPod, please visit www.gcsepod.com/parents where you'll find lots more information and resources.

Yours sincerely,

Mrs C Holt

Head of Curriculum Enhancement
