

October 2021

Dear Parents/Carers,

**Year 11 Virtual Parents' Evening – Tuesday 16<sup>th</sup> November 2021 – 4-7pm**

With the academic year now well underway, we look forward to meeting all parents and carers at the first Parents Evening of the year which will take place on **Tuesday 16<sup>th</sup> November 2021 4-7pm**. This will be the first of two Year 11 evenings this year in order to support all students in achieving their potential in their upcoming GCSE examinations next summer. The second opportunity to discuss student progress will be **Monday 14<sup>th</sup> March 2022**.

Based on the positive feedback from students, parent/carers and staff, as well as being mindful of the ongoing COVID-19 pandemic, **we will be continuing to use the online system that was used last year via School Cloud and appointments will be made using video call.**

If you have experienced difficulties accessing this last year due to technical issues we may be able to facilitate some face-to-face appointments with senior staff on-site at school, however these appointments will be limited and will only be a brief overview of progress and not with your child's class teachers. If you feel that you would need to access this instead of the online appointment system please email [admin@flictongirls.com](mailto:admin@flictongirls.com) for my attention.

The full details of Year 11 Parents Evening will be communicated after half term and appointments will not be available for booking until **9am on Monday 1<sup>st</sup> November**.

Yours sincerely,

*P. Eager*
