

October 2021

Dear Parent/Carer,

**Re: Mathematics Revision Materials**

To support students' GCSE studies and in order to increase the chance of success, we are offering you the opportunity to purchase revision materials. We are recommending the following resources in preparation for the mock exams as well as the end of year GCSE exam. The department strives for all students to achieve the highest grade they can. We recommend that students revise little and often to maximize the use of their time.

Resource	Description	Cost
A) CGP Revision pack – please specify in the comments box on ParentPay if you require the guides for HIGHER or FOUNDATION entry	The following four items are included in the pack <a href="#">GCSE Maths AQA Revision Guide</a> <a href="#">GCSE Maths AQA Exam Practice Workbook</a> <a href="#">GCSE Maths AQA 10-Minute Tests</a> <a href="#">GCSE Maths AQA Revision Question Cards</a> The retail price of this revision pack would be £18.25	£10.00
B) Geometry set	Contains: compass, ruler, protractor, pencil and rubber all in a steel case	£2.00
C) Calculator	Casio Scientific Calculator – suitable for all examinations (£13.25 on Amazon)	£10.20

If you wish to order any of the above items via school the deadline for orders is **Sunday 7<sup>th</sup> November 2021**.

All of these products are available to purchase separately and will be available at both tiers of entry (**Foundation** and **Higher**). When ordering, please ensure you indicate in the comment section, for which tier of entry you wish to order and the name of the Maths teacher. Unfortunately, we cannot exchange the revision pack at a later date if your child changes their tier of entry.

Please pay using ParentPay at [www.parentpay.com](http://www.parentpay.com). For a password reset please click 'forgotten password' in the Account Login box on the home page. If you require a bar-coded letter to use for payment at your local Paypoint outlet or have any other ParentPay query please email [finance@flixtongirls.com](mailto:finance@flixtongirls.com) or contact the finance office at school.

Once the payment deadline has passed the guides will no longer be available to purchase through school but they can be obtained from on-line or high street book retailers using the details supplied above. The retail cost could be higher than the price at which we offer them.

The Mathematics department thanks you for your continued support in ensuring the best for our students.

Yours sincerely,

*R Martin*
